

Contents of *Animal Feed Science and Technology*, Volume 30

VOL. 30 NOS. 1–2

JULY 1990

In situ digestion of detergent fiber nitrogen in alfalfa stems M.A. Sanderson and W.F. Wedin (Ames, IA, U.S.A.)	1
Determination of 2,6 diaminopimelic acid in biological materials using high performance liquid chromatography P.M. Webster, W.H. Hoover and T.K. Miller (Morgantown, WV, U.S.A.)	11
Occurrence, nutritional significance and effect on animal productivity of tannins in tree leaves R. Kumar and S. Vaithyanathan (Rajasthan, India)	21
Fodder tree and straw diets for sheep: intake, growth, digestibility and the effects of phenolics on nitrogen utilisation J.D. Reed, H. Soller and A. Woodward (Addis Ababa, Ethiopia)	39
Effect of soya oil hydrolysate on rumen digestion in defaunated and refaunated sheep L. Broudiscou, C.J. van Nevel and D.I. Demeyer (Melle, Belgium)	51
Influence of steam flaking wheat on rumen fermentations and duodenal nitrogen and amino acid flows in heifers M. Focant, A. van Hoecke and M. Vanbelle (Louvain-la-Neuve, Belgium)	69
Starch digestion and digesta kinetics in the small intestine of steers fed on a maize grain and maize silage mixture R.L. Remillard, D.E. Johnson, L.D. Lewis and C.F. Nockels (Fort Collins, CO, U.S.A.)	79
Morphological study of the digestion of barley and maize grain by rumen microorganisms T.A. McAllister, L.M. Rode, K.-J. Cheng (Lethbridge, Alb., Canada), D.M. Schaefer (Madison, WI, U.S.A.) and J.W. Costerton (Calgary, Alb., Canada)	91
Some aspects of cellobiose effect on bacterial cell surface structures involved in lucerne cell walls utilization by fresh isolates of rumen bacteria J. Miron, D. Ben-Ghedalia (Bet Dagan, Israel), M.T. Yokoyama (East Lansing, MI, U.S.A.) and R. Lamed (Ramat Aviv, Israel)	107
Effects of pelleting diets containing sunflower meal on the performance of broiler chickens I.M. Zafari and J.L. Sell (Ames, IA, U.S.A.)	121
Relationships between bioavailable energy estimates made with pigs and cockerels I.R. Sibbald, M.S. Wolynetz (Ottawa, Ont., Canada), D.D. Hall, J.A. Fernández and H. Jørgensen (Tjele, Denmark)	131
Copper and iodine in pig diets with high glucosinolate rapeseed meal. 3. Treatment of rapeseed meal with copper, and the effect of iodine supplementation on trace element status and some related blood (serum) parameters F. Schöne, K. Winnefeld, E. Kirchner, M. Grün, H. Lüdke and A. Hennig (Jena, G.D.R.)	143

Short Communications

Chemical composition of chaya leaf meal (<i>Cnidoscolus aconitifolius</i> (Mill.) Johnston) and availability of its amino acids to chicks A. Donkoh, A.G. Kese and C.C. Atuahene (Kumasi, Ghana)	155
Nutritive value of whole triticale grain for sheep J.M. Everington and D.I. Givens (Stratford-on-Avon, Gt. Britain)	163

- A comparison of single- and multi-space feeders for growing pigs fed non-pelleted diets *ad libitum*
N. Walker (Hillsborough, Ireland) 169

VOL. 30 NOS. 3-4**AUGUST 1990**

- Low-glucosinolate rapeseeds and rapeseed meals: effect of technological treatments on chemical composition, digestible energy content and feeding value for growing pigs
D. Bourdon and A. Aumaître (L'Hermitage, France) 175
- Uncorticated cottonseed meal as a substitute for soya bean meal in diets for weaner and growing-finishing pigs
T.F. Balogun, A.O. Aduku, N.I. Dim and S.A.S. Olorunju (Zaria, Nigeria) 193
- Rumen ciliates: their metabolism and relationships with bacteria and their hosts
A. Bonhomme (Reims, France) 203
- Effect of energy density by dietary incorporation of fats on the performance of double-muscled bulls
L.O. Fiems, Ch.V. Boucqué, B.G. Cottyn and F.X. Buysse (Melle-Gontrode, Belgium) . 267
- Effects of a fat and ground maize supplement on feed intake and digestion by cattle consuming bermudagrass hay (*Cynodon dactylon*)
K.L. Hall, A.L. Goetsch, K.M. Landis, L.A. Forster, Jr. and A.C. Brake (Fayetteville, AR, U.S.A.) 275
- The utilization of canola and its constituents by lactating dairy cows
A.D. Beaulieu (Columbus, OH, U.S.A.), J.A. Olubobokun and D.A. Christensen (Saskatoon, Sask., Canada) 289
- Effect of dietary ascorbic acid supplementation on the performance of brown-egg layers and egg quality
K. Benabdeljelil (Rabat, Morocco), A. Ryadi (Temara, Morocco) and L.S. Jensen (Athens, GA, U.S.A.) 301
- Effect of dietary oligosaccharides on the digestion of pea starch by growing chicks
J. Treviño, C. Centeno, A. Brenes, P. Yuste and L. Rubio (Madrid, Spain) 313

Short Communication

- Seasonal utilization of saltgrass (*Distichlis* spp.) by cattle
M.A. Brizuela, M.S. Cid, D.P. Miñón and R. Fernández Grecco (Balcarce, Argentina) . 321

Book Reviews

- Feeding of urea-ammonia treated straw 327
- Feed resources and agricultural residues 328

- Author Index** 329
